

Over 466 million people around the globe suffer with hearing loss - with almost half of them suffering from mental health or anxiety issues due to this!

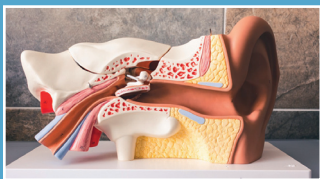

If you don't want to be joining that group people then TAKE ACTION NOW and book your appointment on 01446 688450 or visit www.clearhearingsolution.com

With over 20 years experience in audiology Marina is an expert in this field and can tell you **'EVERY PROBLEM HAS A SOLUTION!'**

There are many hearing clinics around, but none are able to help you with expertise from ear wax and infection, to fitting the best hearing aids on the market, to counselling for your tinnitus, balance, and children's hearing.

There are not many clinics that will follow up on your progress with your hearing aids and your ears infection!

WE ARE SPECIALISTS IN

- Wax removal, ear care & micro-suction services
- Tinnitus management ● Advance hearing assessment
- Rechargeable hearing aids ● Balance rehabilitation
- Paediatric testing ● Moulded swimming ear plugs
